Comments:

There are several hundred residents, that are under a gag order, not to discuss the current litigation against Mountaire that may like to, but cannot comment on this matter. With only 5 concerned residents appearing at the meeting, it seems that most of us are abiding by the rules of the gag order. This seems entirely unfair to the citizens of the area. Would you please consider waiting until the suit is settled before making any decisions, so our concerns may be heard? Truly, Kelly McClure
