Subject: USTAC meeting

Hello members of the UST Advisory Committee:

In response to my email dated January 2, 2019 both Ellen Valentino and Mark Baker have requested a meeting to further discuss TMS responses to comments raised during the regulatory development process. That said, we have schedule the meeting for January 22nd from 1:30-3:00 here at our Lukens Drive office. Please let me know if you will be in attendance so that we may plan accordingly.

Thank you,
Eileen
