Comments on Docket #2020-P-A-0019

Name: Brianna Rahaim

Phone: 3027438528

Email Address: brianna.r.jones@gmail.com

Organization: No, just a homeowner in this neighborhood

Comments:

Hi - as someone who suffers from chronic lung disease I am vehemently against any other release of any additional pollutants in the city air. We have enough things in our air that impact my current quality of life and having crematorium ash in the air doesn't seem like a good addition to help that quality. If this was in place I would seriously consider this one of the few main factors in selling my current home.
