### Comments:

Gulftainer puts the American nation at risk. The Club K mobile rocker launchers can be disguised as a normal cargo container and placed by rail or truck to any location as a sleeper weapon by China. <http://aviationintel.com/club-k-container-missile-system-is-on-the-market/> Stop this now or place us at fatal risk. SO NOT ALLOW THIS TO OCCUR. Watch this video...<https://www.youtube.com/watch?v=Ch2Rqte6XOs>
