Comments:

GULFTAINER, the foreign-owned seaports management company connected to Iraqi WMDs, Iran, Russia, China, and Russia's CLUB-K CONTAINER MISSILE SYSTEM, should be blocked from building a cargo container terminal in Edgemoor, Delaware as part of a Port of Wilmington expansion. Docket #2020-P-MULTI-0024 (Port Project) The owners are part of a terrorist network, and are working with the Russian government to bring in cargo shipping containers that are MISSILE LAUNCHERS! These cargo containers can come into the US and can then be put on trains or tractor trailer trucks and can be moved around INSIDE of the US. Russia can then set off the missiles remotely from satellites and can attack America from within our own borders! This is a VERY serious threat to the safety of our nation. Please have the courage and foresight to NOT ALLOW Gulftainor to build this cargo container terminal. If this is allowed to happen, the events of 9/11 would be NOTHING compared to the amount of damage they could do to our country through this. Thank you!!
