Dear Mr. Secretary,

As long time Wilmington and current county residents, we pledge our support of the Diamond State Port Corporation. The development of a new Container Corporation is a beacon of hope in the midst of our economically stressed communities. Being educators, mentors, a retired City of Wilmington Firefighter, coach and parents of children who reside in Delaware, we have a plethora of reasons to support this endeavor.

The Port expansion project will enable individuals to earn wages that will support family life and thus have a direct impact on high school dropout rates, drug activity, crime, incarceration and community pride. Good paying blue collar jobs are essential. This will build a bridge from school to work as oppose from school to prison.

If you should need to speak with us concerning our wholehearted support of this application approval, please call us at 302-528-1934.

Sincerely,

Mr. Arthur & Mrs. Matilda Madric
