Comments on Docket #2020-P-MULTI-0024 (Port Project)

Email Address: rcptmail@comcast.net

Organization: American Citizen

### Comments:

Do not allow any foreign countries or foreign entities or foreign individuals (in this case Gulftainer and its parent company) to control in any way a port in the state of Delaware. This is a national security situation where the DNREC has a moral and legal obligation to protect the citizens of Delaware and of the United States from organizations that do not have our best interests in mind.
