Hello, as a resident of Seabreeze and now Dodd Avenue for 15 years, I can honestly say it is the best neighborhood I've ever lived in; friendly neighbors, quiet, and peaceful. I welcome Scott and Kim as an addition to our community. I've worked around Scott in my industry and can say he is a very intelligent, diligent and responsible individual; any home that he plans on building at the site will be done correctly, aesthetically pleasing and can only enhance an already terrific neighborhood.
