**RE: APPLICATION SUBMITTED BY 204 SALISBURY EXCHANGE LLC,
TO CONSTRUCT A PIER AT 204 SALISBURY STREET, REHOBOTH BEACH,
SUSSEX COUNTY DE 19971**

Dear Ms. Bobola,

I currently own 1607 Bayard Avenue, Unit D, Rehoboth Beach, DE 19971. This letter is to inform you that I am in support of the above application for a pier. Upon review of the surrounding area, it is noted that The Bay Resort Hotel as well as many of the homeowners with bayfront lots along Salisbury Street have docks and piers. The owners in this relatively small community have purchased homes here for the access to, and enjoyment of, the bay. To not allow this pier, after numerous others have been granted permits, would not be fair.

Let it be noted that I am in favor of granting this permit. Please add this letter to the record for the hearing.

Sincerely,

William S. Bartoshesky
