In regards to Pubsby/Taylor application for a proposed dock I am in total agreement with John Nikolaus and the other comments that were submitted for this proposal. The existing waterway would be cluttered there are other boaters that use the waterway beyond that point that should be considered. I feel they should be able to enjoy the waterway like everyone else but not overtake it. I feel that a revised smaller version should be submitted by the applicants

Best regards Ralph Burris 8/24/2021
