Dear Mr. Bolvin:

On March 29, 2019, the Department of Natural Resources and Environmental Control (DNREC; Department), Solid and Hazardous Waste Management Section (SHWMS) received the revised Solid Waste Management Facility Application for Delaware Recyclable Products, Inc. (DRPI) Landfill from Geosyntec Consultants. With this submission by Geosyntec, the Department considers the Solid Waste Management Facility Application for DRPI located at 246 Marsh Lane, New Castle, Delaware, materially complete in accordance with the requirements of Delaware's *Regulations Governing Solid Waste* (DRGSW), Section 4.0. As specified in Section 4.1.2 of DRGSW, the SHWMS will submit a public notice of the application package for public comment. The public comment period will be 15 days.

The Department may require additional information from DRPI, after the public has had the opportunity to comment on the application, and after public hearings (if held). If you have any questions, please contact Michael Melito at (302) 739-9403.

Sincerely,

Jason W. Sunde
