Subject: Response to EAB Appeal No. 2023-04

Dear Tanesha,

I am writing in response to the appeal [EAB Appeal No. 2023-04]. On September 21, 2023, we signed the waiver of Statutory Right to a Hearing, confirming our decision to withdraw the appeal and settle the matter by paying the required fine. I sent the letter to Travis M. Groski, Deputy Attorney General at the Delaware Department of Justice, and cc'd Muirhead, Greta (DNREC). Travis informed me that he would forward the email to DNREC on September 28th, 2023.

Enclosed with this letter, you will find a copy of the signed waiver for your records.

We appreciate the Board's understanding in this matter and apologize for any inconvenience caused by the delay in our response. If there are any further actions required on our part to close this case, please do not hesitate to inform us, and we will promptly comply.

Sincerely,

A handwritten signature of Karen Jia in blue ink, enclosed in a light blue rectangular box.
