Comments on Docket #2022-P-MULTI-0012: Bioenergy Innovation Center

Name: Mary Armbrust

Phone: 303-333-3246

Email Address: mja19805@gmail.com

Organization: No

Comments:

As a private citizen, animal lover and veteran, I oppose this business. "Waste from chicken hatcheries" is the ground up bodies of male chicks. You're producing energy in the most vile way imaginable from the torture and death of sentient beings. The people living near the production facility would experience an Auschwitz type atmosphere with grave consequence to their well being. We must end factory farming, not encourage it. Please do not move forward with this plant.
