In 2017 Mountaire Farms was issued Notice of Non-Violation for egregious polluting. Among the violations in that notice, Mountaire Farms was cited for illegally disposing of egregious levels of domestic waste fecal coliform bacteria and extremely high levels of nitrates.

In the final moments of the fairness hearing of the resulting lawsuit it was revealed that Mountaire Farms illegally polluted on Inland Bays Regional Wastewater Facility.

Inland Bays Regional Wastewater Facility is operating in failure and has not had an operating permit since 2017.
