Comments on Docket #2022-P-W-0008 -- Inland Bays Regional Wastewater Treatment Facility

Name: Donald Burdick

Phone:

Email Address: dtburdick@gmail.com

Organization:

Comments:

Comparison climate assessment from Sussex County, versus that of Dr. Gerry Bell's analysis shows that it is lacking in basic fundamental knowledge of meteorology, much less longer term climate patterns such as the North Atlantic Oscillation and ENSO patterns. The county plan is insufficient to determine anything of substance. In fact, it rises to the level of essentially being a lie of omission.
