Comments on Docket #2022-P-W-0008 -- Inland Bays Regional Wastewater Treatment Facility

Comments:

I do not support this permit. In this country we need proven modern wastewater facilities. Not broken ones like those being used by Mountaire Farms, that are harming the citizens of the community. I no longer live in Delaware, but I have no intention of visiting Delaware again because of how polluted the water is. I have concerns for friends and family who still live there. I am making sure everyone I know is aware of this situation and the disregard for the citizens.
