Comments on Docket #2022-P-W-0008 -- Inland Bays Regional Wastewater Treatment Facility

Name:

Phone:

Email Address:

Organization:

Comments:

I am appalled at the conditions of the water and the water treatment facilities. They are making people sick. Some have even died because of the pollutants in the water. It is appalling. The water treatment facilities need to be cleaned up and modernized. Enough people have died and gotten sick. Government, whether city, state or federal need to do their job!!!!
