Ms. Vest,

Please find attached DeIDOT's letter regarding Docket #2022-P-W-0017, as well as mark-ups to the December 14, 2022 draft Phase II, Tier II permit.

There is reference in DeIDOT's letter to EPA's Final Rule on the definition of Urban Area. We are aware that EPA just withdrew the Final Rule an hour ago, but had drafted the comments previously.

Thank you,
Sara
