Email Address: rtrinciajr@ofc424.com

Organization: None

Comments:

This should be brought up in the Delaware House and Senate and voted on. Not a decision made by the head of any state agency which decides for entire state of tax payer people. I am against this mandate and as a consumer I and I alone will decide if I want to purchase an EV vehicle or not. Federal and States shall stay out of my wallet. Political consequences might happen if this passes.
