Comments:

Unless Carney is buying me a new car and paying the car note plus taxes, he cannot mandate that we no longer drive gas operated vehicles. We are a free country. This isn't China. Can't wait until he's out of office. Terrible Governor who just follows whatever Ny and California does. This was a beautiful state. We now have crime, garbage all over the place, homeless begging at intersections, road construction everywhere, graffiti, high income taxes etc etc
