Comments on 2022-R-A-0011: Low Emission Vehicle Program

Name: Richard Van Emburgh

Phone: 3023358646

Email Address: rvan7269@yahoo.com

Organization: No

Comments:

While I support reducing g emissions I do not support this program at this time. The EV are not developed fully yet, charging stations for homes are an additional expense, recycling these batteries has not been perfected, replacement costs for these batteries is very high and any trip over 400 miles would require stopping to recharge. I also feel some changes of this magnitude should be addressed by our legislature not DNREC!
