

Subject: Low emissions vehicle program

Date: Tuesday, April 11, 2023 at 5:42:28 PM Eastern Daylight Time

From: Ginny Adlon

To: HearingComments, DNREC (MailBox Resources)

To whom it may concern:

As senior citizens, living on a fixed income, we cannot afford to purchase an electric vehicle. With a large population of retired Delaware residents we feel that requiring all Delaware residents would be a financial burden to too many of your residents.

Thank you,
Roger and Virginia Adlon
