From: Anne Elmlinger (aelmlinger@comcast.net) Sent You a Personal Message

To: HearingComments, DNREC (MailBox Resources)

Dear DNREC Public Comments,

I want to purchase an electric vehicle in the next 2 years, but am concerned that Delaware does not have any dealers that offer such cars. I would expect to be able to do some comparison shopping when I make a purchase so it makes sense to me that all dealers should offer clean cars. For this and other reasons, I support the Advanced Clean Cars 2 Program for Delaware!

This is very important to me!

Sincerely,

Anne Elmlinger
