Comments:

I am AGAINST the all Electric CARS program in Delaware. That's insanity. Let the RICH Folks buy their fancy, expensive electric CARS and leave the population alone. You have NOT done your homework on what it takes to own and operate an Electric CAR. Fix up the Roads and other important issues in the State of Delaware. MORE research needs to be done on Electric CARS BEFORE you pressure that on the FREE Market. We have VOTES and we ill USE them. Do you homework.
