Comments:

To Who(m) it May Concern, I want to express my opposition to the mandate forcing the residents of Delaware to purchase only electric vehicles in the near future. This is dictatorial edict and goes against the Delaware State Constitution. The State is supposed to use the Legislature to enact this kind of policy. It is cowardly to use this kind of procedure and is in opposition to the will of the people. Thank you for your time and attention. Regards, W. L. Wyman
