Comments on 2022-R-A-0011: Low Emission Vehicle Program

Name: Tony Collins

Phone: 13022429426

Email Address: eltrut68@yahoo.com

Organization: NA

Comments:

From my perspective, the technology and infrastructure needed to support a mandated transition to Low Emission Vehicles does not exist yet. Also, the increased costs of Low Emission Vehicles would come a time when prices have risen dramatically for families across all areas of life in Delaware. I recommend that we continue to enable families to opt into LEVs when they are ready for them. Next, we need to provide adequate time for the technology and infrastructure to mature before any mandated transition occurs.
