Comments on 2022-R-A-0011: Low Emission Vehicle Program

Name: bill farrell

Phone: 3023968525

Email Address: farrell500@verizon.net

Organization: no

Comments:

please reconsider this program.The state will lose money to other states wjen car buying will go out of state. the infrastructure is not ready or practical at this time in us. cars are unaffordable.I could go on and on,but the government is suppose to work for the people not viceversa! I know as governor you cant run again,so you feel you can get away with anything. But these agenda will hurt the democratic party here in DE.
