I am completely against the Low Emission Vehicle Program!!! I would have to lay over several times to make a trip to Pa. to visit my family members and if I got stopped in a traffic jam I would be stuck for who knows how long till I could get towed or charged. No thank you very much!!!! I have also heard many bad reports on the new electric cars. High repair cost if in an accident, higher insurance costs, etc. I will not go to the Low Emission Vehicle!!!!
