DNREC

This is to inform you that I object to the purposed MANDATE FOR ONLY
NEW ELECTRIC VEHICLES to be sold IN THE STATE OF DELAWARE IN THE
NEAR FUTURE

i want the option and need the option to purchase the vehicle of my
choice that will suite my needs and one that I can afford to buy and
maintain.. - not the government's choice because I will be the one paying
for this car/truck, DRIVING IT AND USING IT!!!!!!.

I AM AN AMERICAN CITIZEN AND A CITIZEN OF DELAARE (IF THAT
MEANS ANYTHING ANY MORE) AND MANDATES HAVE NO FUTURE HERE
IN DELAWARE, USA.

IT WILL BE INTERESTING TO SEE YOU PUBLISH A COUNT FOR THIS
MANDATE AND AGAINST. I AM LOOKING FORWARD TO SEEING THIS POST.

Sincerely,

Donald Craft, 3361 Craft Road, Bridgeville, DE 19933
