RE: ELECTRIC CAR/TRUCKS MANDATE FOR DELAWARE CITIZENS

I MUST BE MISSING SOMETHING, but this is still the UNITED STATES OF AMERICA, isn't it? WHATEVER HAPPENED TO BEING ABLE TO BUY WHAT YOU WANT AND/OR CAN AFFORD WITHOUT THE GOVERNMENT TELLING YOU TO BUY WHAT THEY WANT YOU TO HAVE????????????? We are not Russia or China. And/or the Government telling Companies what to manufacture, so therefore, Citizens have no choice in the matter of what vehicle they will buy!, because there will be NO CHOICE!

I object (ficersly) to DNREC'S purposed mandate that only new electric vehicles can be sold in Delaware IN THE NEAR FUTURE..WHO IS THE ELECTED OFFICIAL AT DNREC THAT HAS OR WANTS TO MANDATE THIS OBSURD MANDATE?????? AND IT DOES NOT MATTER WHETHER IT IS THE STATE LEGISLATURE, DNREC, OR THE GOVERNOR - WE DELAWARE CITIZENS DO NOT WANT MANDATES. WE HAVE HAD ENOUGH HERE IN DELAWARE. (BY THE WAY, I AM A CITIZEN OF AMERICA AND DELAWARE - IF IT MATTERS.)

By the way, since we all breathe the air from around the world, what are you doing to control China, India, and Russia, etc. because they are all still building new coal electric plants, , etc. and polluting the air in their countries as well as the air around the world - INCLUDING THE UNITED STATES OF AMERICA!!!!!!!!!!!!!!!!!!!!!!And it will be interesting to see you post the number of people for and those opposed to your mandate.
