To: HearingComments, DNREC (MailBox Resources)

Theresa Newman, Hearing Officer
DNREC - Office of the Secretary
89 Kings Highway, Dover, DE 19901

Governor Carney and Secretary Garvin,

I do **not** support and strongly **oppose** your executive branch regulation **banning** the sale of new gasoline or diesel-fueled automobiles.

I believe that Delaware's residents, **not** the government, should decide what vehicles are best for them and their families.

Regards,

Gary M. Dunevant
