MY OBJECTION IS THAT THE GOVERNMENT HAS BECOME TOO MUCH A PART OF OUR DAILY LIVES TO MAKE IT MANDATORY FOR CITIZENS TO GET RID OF WHAT WORKS FOR THEM ALL THESE MANY YEARS AND TO BE TOLD TO BANISH THEM DUE TO GOVERNMENT WHIMS IS NOT RIGHT..WHAT HAPPEN,LAW ABIDING CITIZENS . THE FREEDOM OF CHOICE . IT SEEMS THAT THE MAJORITY DOES NOT WANT THIS ,WHY IS THAT? LET US KEEP OUR GAS POWERED VEHICLES ,LAWN IMPLEMENTS,AND ANYTHING ELSE WE WANT. FOR THE PEOPLE WANT ELECTRIFIED ITEMS GO FOR IT BUT LEAVE US GAS POWERED CITIZENS ALONE. LET'S SEE WHAT LASTS LONGER AND MORE PROFICIENT AND CHEAPER TO RUN. HAS ANYONE TOLD YOU HOW LONG THESE BATTERIES LAST OR WHAT IS THE COST OF UPKEEP AND COST FOR DISPOSING THE OLD BATTERIES AND GETTING NEW BATTERIES. HAS ANY ONE TOLD YOU WHAT THE POWER GRID WILL BE LIKE TOO CHARGE ALL THESE BATTERIES. WE HAVE NOT HEARD THIS MENTIONED WONDER WHY NOT ?
