Comments:

I do not support the regulations proposed by the Department of Natural Resources and Environmental Control (DNREC) to ban the sale of new fuel-powered cars, trucks, and SUVs in Delaware. The DNREC does not have the constitutional right to create this regulation. THE DELAWARE CONSTITUTION ARTICLE II. LEGISLATURE § 1. General Assembly to hold legislative power; composition. Section 1. The legislative power of this State shall be vested in a General Assembly, which shall consist of a Senate and House of Representatives. This type of regulation should go through the process documented in our Delaware constitution. Thank you for asking for feedback. Respectfully, Chad Carmack
