Comments on 2022-R-A-0011: Low Emission Vehicle Program

Name: Walter Lockhart

Phone: 7326903314

Email Address: poplock63@gmail.com

Organization: No

Comments:

1. The infrastructure needed for EV's in Delaware or the United States is not available. 2. The automotive industry does not have access to build EV's for everyone at a reasonable cost. 3. Fossil fuel vehicles with the assistance of electric engines (hybrid), need to be further developed and evaluated.
