Comments:

I am not in favor of 2022-R-A-0011: Low Emissions Program as it puts a strain on all Delawareans who are on a fixed income! I cannot afford an expensive EV with an expensive battery replacement besides being expensive to charge. I especially do not appreciate being mandated to replace my gasoline-powered car with something I don't believe in. There's only Liberty in being able to choose.....not mandated! Thank you!!
