Comments:

Dear DNREC Hearing Officers, We are contacting you about the recent proposed rule concerning the Delaware Low Emission Vehicle Program, available online at <https://regulations.delaware.gov/register/april2023/proposed/26%20DE%20Reg%20823%2004-01-23.htm>. This action was notified by the United States to the World Trade Organization under the Agreement on Technical Barriers to Trade. A copy of the notification circulated by the WTO TBT Committee is attached; the symbol is G/TBT/N/USA/1986. Further information about obligations under the WTO TBT Agreement and NIST's role in carrying out the notification obligations for the United States is accessible at <https://www.nist.gov/notifyus>. The WTO/TBT National Notification and Enquiry Center of the People's Republic of China has requested additional time to review the proposed rule and to prepare comments . Would it be possible to extend the comment deadline to July 3, 2023? Thank you very much for your consideration of this request. Your formal reply will be appreciated. Best regards,
