Members of the DNREC Hearing Committee:

I write to vehemently urge you to VOTE NO to the EV MANDATE.

This proposed rule is removed from the political process and vanquishes the constitutional due process rights of all Delawareans. It constitutes a subterfuge for the establishment of a totalitarian form of government which rules by fiat. Our forefathers who gave their lives to form a government for the people and by the people fought against the very premise upon which the proposed EV Mandate is based.

Do not fall into this trap.

Vote AGAINST the EV MANDATE.

Sincerely,

Diane M. Andrews, RN, ESQUIRE
