

Subject: EV Mandate

Date: Wednesday, May 24, 2023 at 10:28:58 AM Eastern Daylight Time

From: Doyle Dobbins

To: HearingComments, DNREC (MailBox Resources)

TO WHOM IT MAY CONCERN:

I fully support the EV mandate. We need as many EVs on the roads and streets as quickly as we can get them. Using clean energy in every way possible, is the right thing to do to slow down climate change problem.
