

Subject: EV Discussion

Date: Wednesday, May 24, 2023 at 9:52:01 AM Eastern Daylight Time

From: George Walsh

To: HearingComments, DNREC (MailBox Resources)

The decision for Delaware regarding the purchase of a gas vs EV vs hybrid vehicles is our choice. We, the residents of Delaware and citizens of this free country can make our own choice.

This, so called, mandate is unacceptable and I would expect you NOT to undertake this request from the governor.

Thank you,

George Walsh, Dagsboro, De.
