**PUBLIC COMMENT**

2022-R-A-0011: Low Emission Vehicle Program

What is your name? Robert L. Holston Jr

Are you a resident of Delaware? (Check one)

Yes  No

Please provide your home zip code: 19947

Are you offering your comments as an individual citizen, or do you represent an organization? (Check one)

Individual  Organization (Please provide the organization's name.)

Do you support or oppose the proposed Low Emission Vehicle Program, which seeks to restrict and eventually eliminate the sale of new gasoline and diesel-powered cars, light trucks, and SUVs in Delaware? (Check one)

Support  Oppose

Do you wish to offer additional comments in support of your position?  
(Comments can be continued on the back of this document.)

Freedom To Choose Gas or Electric.  
Govt. should not make this decision for  
the Citizen

If the electric<sup>car</sup> was involved in an accident,  
the windows would be locked and someone would  
have to come to get persons involved in accident  
out, it could be too long a wait if someone  
was seriously injured. We don't need electric  
cars & trucks. We are not living in California.
