Comments on 2022-R-A-0011: Low Emission Vehicle Program

Name: Eileen Hargrove

Phone: 302-988-1875

Email Address: omaeileen@reagan.com

Organization: No

Comments:

Both me and my husband Steve Hargrove are adamantly against a mandate on electrical vehicles. First we live in a free country and should most become dictatorship. This is not about the environment. It is all political and pushing an agenda. Also, people should not be FORCED to purchase a vehicle or anything. Especially vehicles I feel are unsafe. I am extremely disappointed in Delaware for trying to push this on her citizens.
