Hi DNREC,

“It is hardly too strong to say that the Constitution was made to guard the people against the dangers of good intentions. There are men in all ages who mean to govern well, but they mean to govern. They promise to be good masters, but they mean to be masters.”

-Daniel Webster

“Only a virtuous people are capable of freedom. As nations corrupt and vicious, they have more need of masters.”

-Benjamin Franklin

Best Regards,

Michael R. Peterson
