I AM AGAINST BEING FORCED INTO A EV
GOVERNMENT HAS NO RIGHT TO FORCE US AMERICANS INTO ANYTHING!! EVs ARE EXPENSIVE ALSO
INSURANCE IS EXPENSIVE. ALLSTATE TOLD ME. 6 MONTHS 2000\$ deductible 6 MONTH POLICY \$2000.00.
There is only 57,000 chargers and on average 50% are not functioning !!
ELECTRICITY IS GETTING EXPENSIVE
WIND AND SOLAR AINT GONNA CUT IT
REMEMBER THE POWER PLANT IN DELAWARE IS TO SHUT DOWN WITHIN 2 YEARS !
