PUBLIC COMMENT

2022-R-A-0011: Low Emission Vehicle Program

What is your name? COLLEEN TWARDZIK

Are you a resident of Delaware? (Check one)

Yes No

Are you offering your comments as an individual citizen, or do you represent an organization? (Check one)

Individual Organization (Please provide the organization's name.)

Do you support or oppose the proposed Low Emission Vehicle Program, which seeks to restrict and eventually eliminate the sale of new gasoline and diesel-powered cars, light trucks, and SUVs in Delaware? (Check one)

Support Oppose

Do you wish to offer additional comments in support of your position?

Many people are unaware of the
EV mandate due to the state not
contacting everyone who will be
affected. As the State is very selective
as to the type of information they give
out and to whom they give it.
The vast majority of people in Delaware
can not afford this mandate.
The infrastructure in Delaware can
not handle this load! I am very
concerned about the fire hazard this
creates! The hazards in homes while
