Comments on 2022-R-A-0011: Low Emission Vehicle Program

Name: Jesse Frederick

Phone: 3025429093

Email Address: jfsailor@aol.com

Organization: No

Comments:

This EV mandate is completely unsustainable for my family. We travel via car a lot. Family in Arizona, friends all over the country. We also live outside of a town where grocery shopping and general daily life requires that we often drive over an hour just to run errands. This is such a short-sighted program that will cripple those who live in less populated rural areas. I vote NO on the Low Emission Vehicle Program.
