Comments:

I DO NOT BELIEVE "MANDATES" WORK. PEOPLE WILL JUST GO BUYS CARS IN OTHER STATES. BANNING THE SALE OF GAS VEHICLES WILL SOLVE THE PROBLEM BUT WILL HURT AUTO DEALERS AND IN AD DITION WILL COST THE STATE A FORTUNE REPLACING GAS POWERED VEHICLES WHEN NECESSARY. RATHER THE STATE SHOULD INCENT PEOPLE TO BUY ELECTRIC OR HYBRED VEHICLES. IT IS NOT THE SALE OF GAS VEHILES THAT IS THE PROBLEM, RATHER IT IS THE USE OF GAS-POWERED VEHICLES THAT IS THE PROBLEM. I DO NOT BELIEVE THE TECHNOLOGY IS MATURE ENOUGH TO APPLY TO EMERGENCY VEHILES, LARGE TRUCKS AND POLICE VEHICLES.
