Attention Anglers:

We will conduct a virtual public hearing on Tuesday, November 22, 2022 beginning at 6:00 p.m. to consider comments from the public on the proposed revisions to the freshwater trout regulations (7 DE Admin. Code 3300 Non-tidal Finfish 3301 - Definitions and 3304 Creel Limit, Size Limits and Season.)

The objectives of revising trout regulations are to augment the waters open for trout fishing by adding an additional 0.4 miles of designated trout stream to the stocked portion of Red Clay Creek, create a fly fishing-only area on Red Clay Creek, and increase trout fishing participation by young people with the designation of Youth Days.

For information on attending this hearing and commenting on the proposed revisions to the regulations, please visit <https://dnrec.alpha.delaware.gov/.../public-hearing-non.../>.
