The applications, the "draft" construction permits, all materials that the applicant has submitted (other than those granted confidential treatment under DNREC rules), and a copy or summary of other materials, if any, considered in preparing the "draft" permit will be reviewed upon request. The materials are posted at <https://de.gov/dnrecnotices>. To submit comments, for additional information or for information regarding how you can inspect the application materials, please contact Jennifer Childers at (302) 739-9402 or jennifer.childers@delaware.gov.
