DNREC- DIVISION OF AIR QUALITY

LEGAL NOTICE Notice of Public Hearing

The Department of Natural Resources and Environmental Control (DNREC), Division of Air Quality (DAQ) will conduct a public hearing on Thursday, April 25, 2024 beginning at 6:00 p.m. to consider comments from the public on the proposed amendments to 7 **DE Admin. Code** 1130 "Title V State Operating Permit Program" (Docket #2023-R-A-0015).

The hearing will address amendments to 7 **DE Admin. Code** 1130 to remove the emergency affirmative defense provisions and references. 7 **DE Admin. Code** 1130 is based on Title 40 of the Code of Federal Regulations (CFR) Part 70, which outlines requirements for state operating permit programs. Subsection 6.7 of 1130 includes guidance on claiming affirmative defenses for emission exceedances for emergencies. On July 21, 2023, the Environmental Protection Agency issued a final rule (88 FR 47029), which removed all emergency affirmative defense provisions for state and federal operating permit programs in 40 CFR Part 70.6(g) and 71.6(g). To maintain consistency with the current federal requirements, the Division is proposing to remove the affirmative defense provisions from 7 **DE Admin. Code** 1130.

Additional amendments correct a typographical error (7 **DE Admin. Code** 1130, Section 8.0 of Appendix A "Insignificant Activities"). This correction is not substantive and does not change the intent or purpose of the regulation.

The proposed amendments may be inspected online starting April 1, 2024 at https://regulations.delaware.gov/services/current_issue.shtm, or in-person, by appointment only, by contacting Taylor Englert by phone at 302-323-4542 or by email at Taylor.Englert@delaware.gov.
