### Comments:

I would respectfully request that the time periods for shotgun or muzzle loader hunting permitted in Fresh Pond State Park be reduced or eliminated. Having the trails closed to pedestrians and bicycles for long periods of time during hunting season is detrimental to the health and well-being of local residents who rely on that trail for exercise and healthful socializing. I'm not opposed to wildlife management of the deer population, but please stop closing our trails for such long periods of time. Very truly yours, Elizabeth van Gestel Sussex County
